

KEY LINEAGE FOCUS POINTS

'...Let no one say "Why are you looking back to the architecture, ships and the metallurgy and achievements of the Old World, surely these things happened thousands of years or hundreds of years ago?"

No, no, no... This is the universe, space-time continuum. What happened ten thousand years and ten minutes ago have the same relevance as they occupy the same space and time in consciousness.

... Nobody who thinks that the oldest traceable ancestor they can point to was a Slave, nobody who thinks that can be anything but a Sick Man or Woman...'

- DR IVAN VAN SERTIMA

THE CORRAL

The KEY IDEA in the teaching and maintaining of a restrictive worldview is to engender and maintain the status quo between the CURRENTLY POWERFUL, THE ASPIRANTS and THE POWERLESS.

'...Most of the history of African people throughout the world is told through slavery...'

A short period in our history, considering that we are the oldest of the world's people...'

- DR JOHN HENRIK-CLARKE

Note the length of the **AFRICAN CONTINUUM** compared to the highly impactful but relatively brief periods of the periods of **ARAB COLONIALISM & SLAVERY** and then **EUROPEAN SLAVERY & COLONIALISM**. This is only the "SHORT CHRONOLOGY" where **EUROPEAN HISTORIANS** placed Ancient Cultural Achievements into a shorter and therefore more limited time frame. Even so, we can clearly see the limited history we are generally taught to accept as **BLACK HISTORY**.

THE CORRAL PROCESS >>>

DEHUMANISATION

It is vital to understand the role of history in unlocking the restricted or educated mind-set which is conditioned to think of people of **AFRICAN DESCENT** only in terms of domination by **ARAB, TURKISH** or **EUROPEAN CULTURE**, justified by Islam or Christianity. By expanding the timeframe from decades to millennia, we can clearly recognise both the nature and effects of **dehumanisation**, and the innate potential held in the **GENETIC LINEAGE** held in the **MOTHER'S GOLDEN THREAD**.

THE ROLE OF PLAGIARISM

Religion has been used to justify & maintain the colonisation and enslavement of Africans. This has been over the last 1,400 years since the Arab invasions through the land of Egypt. In terms of more lasting damage, Plagiarism of and absorption of Ancient African Traditions, Symbolism and Spiritual Science into the invader's cultures took place without any truthful and respectful referencing. This continues to maintain a psychological status of supremacy for some and lack of self-respect, self-love & continued dependency for others.

3. THE FLOW OF ANCIENT KNOWLEDGE: HELLENISM AND THE CONSTRUCT THE ARYAN MODEL OF HISTORY

THE FLOW

The **KEMITES** evolve a culture unparalleled in recent history based on a scientific relationship with and profound understanding of **NATURE (NTR)**. The flow from Central Africa moves up the **RIVER HAPI (Nile)** meets with more **Ancient Knowledge (ATLANTEAN...?)** and evolves uninterrupted from the **PRE-DYNASTIC** period until the first **MAAFA** OF THE **HYKSOS** invasion into **NORTHERN KEMET**.

1 Greek Philosophers sought the knowledge and wisdom of Kemet. Pharaoh **SALMETIK I** ended the immigration access restrictions to entering the centres of learning in the **SAITE DYNASTY XXVI 656 - 525 BC** and Greeks such as **Pythagoras** were accepted. On their return to Greece however, many were persecuted.

THE RENAISSANCE ENDORSES A VIEW OF A WHITE MALE PATRIARCH AS GOD

GOOD = GOD = WHITE = MAN

EVIL = SATAN = BLACK = WOMAN

9 This powerful symbolic premise makes anything not aligned with this icon "SATANIC". Any Black or Female Cultural factors therefore become the personification of evil resulting in the **DEHUMANISING PROCESSES** of the corresponding **PORTUGUESE-LED TRANSATLANTIC AGE OF ENSLAVEMENT (AD 1441 - 1888)** and the **AGE OF THE GREAT BURNINGS (AD 1480 - 1780)** which occurred at the same time as the **EUROPEAN RENAISSANCE & ENLIGHTENMENT**. **RACE THEORY** endorses the abuse.

KMT/KEMETIC CONTINUUM

2 The **GREEKS** invade and occupy the land of **KEMET 323 to 31 BC** and rename the land 'AEGYPTUS' **EGYPT**. This period directly parallels the **HELLENISTIC** Period, the **HIGH POINT OF ANCIENT GREEK CIVILIZATION**.

ANCIENT KEMETIC KNOWLEDGE is "DOWNLOADED" without the guidance of the **WISDOM (MA'AT)**. This begins the rule of the **PTOLMEIC (Greco-Roman) PHARAOHS** by **SOTER I** who builds the library of Alexandria to house the Knowledge of the "STOLEN LEGACY".

3 THE **ROMANS** invade and occupy **EGYPT 31BC to AD 429**

4 THE **BYZANTINE (Eastern Roman) EMPIRE** takes control of "EGYPT" in **AD 429**. **EMPEROR JUSTINIAN** ends the Practice of **KEMETIC CULTURE** by closing the **TEMPLE OF PHILAE** in **AD 535**.

5 THE **ARABS** invade and occupy **EGYPT AD 641 to DATE**. Greco-Roman translations of the **Kemetic knowledge** are carried into Arabia and across North Africa by the **ARABS** and **TURKS** to the **MOORS**.

6 The **MOORS** invade and occupy the land of **AL ANDLUS/HISPANIA from AD 711**. (IBERIAN PENINSULAR - **SPAIN + PORTUGAL**)

7 Following the **FALL OF TOLEDO AD 1085**. This eventually ends the religious dogma of the **European Dark Ages** and fuels the **European Renaissance & Enlightenment**.

8 The **MOORS** are finally Expelled following the **EUROPEAN RECONQUISTA** beginning **AD 722** concluding in **PORTUGAL AD 1249 & SPAIN AD 1492**

9 Northern European **ROMANTIC SCHOLARSHIP** forms the **ARYAN MODEL** which places the origins of all Civilization with the **ANCIENT GREEKS**, ignoring all of the other much longer and well-established civilizations in **AFRICA, ASIA & AMERICA**.

Their claim, based largely on **PHILOSOPHY & ART**, places the origin at the start of the **HELLENISTIC GREEK PERIOD 323 to 31 BC** the time of the **DOWNLOAD OF KEMETIC KNOWLEDGE**.

This **INVENTED CONTINUUM** forms the **BACKBONE OF THE RACIAL CONSTRUCT & GLOBAL WHITE (MALE) SUPREMACY**.
